

# ASPEN PLANERS LTD. WOODLANDS

## SUSTAINABLE FOREST MANAGEMENT AND ENVIRONMENTAL POLICY

Aspen Planers Woodlands aspires to act in such a manner so as to earn respect from employees, the public and customers through Sustainable Forest Management (SFM) and PEFC Chain of Custody.

Aspen Planers will ensure our employees and contractors are empowered to meet our commitment to achieve and maintain SFM and PEFC Chain of Custody for our Woodlands operations.

Through environmentally responsible practices and a commitment to excellence, we will strive to:

- Prevent pollution;
- Comply with all current laws, regulations and commitments;
- Honour international agreements and conventions to which Canada is a signatory;
- Recognize and respect Aboriginal rights, title and treaty rights as they may affect our Woodlands operations;
- Provide safeguards to the health and safety of our employees, contractors and the public through responsible management of our Woodlands;
- Implement advances in SFM science and technology as they occur;
- Continually improve on our SFM and environmental performance;
- Provide the public, including Aboriginal communities, with the opportunity to participate in SFM within the defined forest area; and
- Review and amend our SFM and environmental objectives and targets with the Public Advisory Group
