

Aspen Planers Ltd. – Lillooet Division Forest Stewardship Plan Amendment

Aspen Planers Ltd. Forest Stewardship Plan (FSP) Amendment for the Lillooet Timber Supply Area is available for public review and comment between March 2nd and May 2nd, 2022.

This FSP amendment outlines proposed changes to specific results and strategies that Aspen Planers must achieve in order to be consistent with government objectives for forest values including wildlife (Grizzly Bears, Moose, Deer, Elk, and Sheep), cultural heritage resources, and the addition of Fire Interface Stocking Standards.

This amendment is publicly available for review and for written comment. Those wishing to review this plan amendment may do so by appointment, during normal working hours at the Lillooet Woodlands office located at 530 Main Street, Lillooet BC, as well as the Merritt Woodlands office at 1375 Houston Street, Merritt, BC. To make an appointment to review the plan, please telephone (250) 280-5092 (cell) or (250) 315-4218 (office).

Alternately, the amended plan can be viewed online at:
